ONCE A BIG RED, ALWAYS A BIG RED!

By Dr. Jerry Davisson, Principal

When students, parents, staff members and community members first arrive on the Chippewa Valley High School (CVHS) Campus they hear references to the "Big Red Family", but don't really comprehend its meaning. As time goes on and they get involved and build strong relationships at CVHS, a bond begins to grow that strengthens their pride in being a member of the "Big Red Family". Students are encouraged to get involved at CVHS. That can be joining a club, sport, band, choir or participate in a musical. During the summer there are numerous athletes and coaches from various teams working out or running camps not because they have to, but because they want to. Several hundred students will be attending band or choir camp this summer, which will involve the help of many parent volunteers to help get prepared for the upcoming school year. Our student government officers will be attending a summer camp as well. Booster parents volunteer throughout the year raising money to support our students and school.

The glue that holds the family together is the strong relationships built which enhances Big Red pride. This is reflected by the outpouring of support by students, staff and the community when tragedy hits. Both students and staff support our Hero in the Hallway program that promotes doing the right thing and standing up against bully behavior. This past spring I heard from numerous senior students and parents that were struggling with the notion that they would not be returning to CVHS in the fall. Students are reminded at commencements that that they will always be part of the "Big Red Family", and asked to keep in touch. Many alumni and retired staff members remain involved at school. We are fortunate to have a large number of our staff members that also happen to be CVHS alumni.

Being a member of the "Big Red Family" comes with responsibility. Each member is expected to work to develop positive relationships with one another, while having high expectations for each other and oneself. Setting individual and group goals, while working together as a family to attain them and then celebrate success is important. The teachers, counselors, support staff and administration continue to be committed to working together with students, parents, alumni and community members as a family, in order to maintain the Big Red Pride in ensuring a positive learning experience for all students.

Continued from front page…

Below I have included information that I hope will be helpful to both parents and students regarding the upcoming school year:

Big Red Check-In…Please make every effort to attend Big Red Check-In!

- **All 9th grade students** are to attend the Big Red Check-In at the Ninth Grade Center (NGC) on **Tuesday, August 22nd**. See page 7 for specific times to report. For forms and more information. http://www.chippewavalleyschools.org/downloads/chippewa_valley_hs/gpage_7_ngc_big_red_check_-_matriculation_1_1.pdf

- **All 10th, 11th, and 12th grade students** are to attend the Big Red Check-In at the 10-12 building **on Wednesday, August 23rd or Thursday, August 24th**. See page 6 for the specific date and time to report based on your last name. For more information. http://www.chippewavalleyschools.org/schools/high-schools/cvhs/students-parents/big-red-check-in/

Students' First Day of School is Tuesday, September 5th…Students need to be in their assigned homeroom starting at 7:15 am promptly to pick up their official schedule. Homeroom lists will be posted throughout the campus**. Students will be dismissed at 10:00 am.**

School Photo Day…This year all students will have their pictures taken on **Wednesday, September 6th**. Additionally, all 9th graders will have their vision tested. Please see page 5 for more information.

I.D. policy…All students will be issued one student I.D. on picture day (September 6th). We expect all students on the CVHS campus to be prepared to produce their school issued identification cards at all times. Please see page 10 for more information.

Electronic Communication Devices…Are allowed to be used in designated non-instructional areas of the Chippewa Valley Campus. Please see page 10 for more information.

Code of Conduct…Please take time to review the entire "Secondary Schools Student Code of Conduct" with your son or daughter. You can access it on the CVHS website.

School Messenger…This is our district-wide communication system. You will receive emergency alerts, student attendance alerts and important reminders from your principal and much more. For more information see page 13.

Parent Portal…Parents can sign up to have online access to their son or daughter's progress in school, as well as, attendance record. If you have not created a Parent Portal account, please contact the Guidance Office in the campus building your student attends to receive your account access information to get started. Please see page 13 for more information.

Coffee with the Principal…Once a month parents are invited to stop in and visit with the principal of each building. These are informal meetings with an open agenda. See page 4 for more information, as well as, the 2017-2018 dates flyer at the back of this newsletter.

Visitor Check-In Procedures…All visitors coming into either school building must show identification at the security desk (driver's license or a state issued I.D.). This is for the safety and security of our students and staff. Your cooperation with our security at the desk will be appreciated.

Ninth Grade Center (NGC) Matriculation Ceremony…This formal ceremony in which the 9th graders pledge to graduate in four years will take place on Friday, September 8th at 1:30 pm in the NGC gym. Parents and community members are welcome to attend. See page 7 for more information.

CVHS Open House - Wednesday, September 13th at 6:30 pm…This is an opportunity for parents to meet the teachers. For more information see page 5.

STUDENT ACTIVITY CARDS

Parents, are you interested in saving money on your son's and daughter's admissions to home athletic events, discounts on dance tickets, and other Student Government sponsored home activities? Well, your chance for this savings is coming up with the 2017-18 CVHS Activity Card.

The card, costing $35.00, will be made available for purchase via the voucher form at the "Big Red Check-in."

With this card, students do not have to stand in long lines waiting to purchase tickets for football or basketball games; they only need to walk up to the ticket takers at the gates or doors, show them their activity card and they are in! The cost for each home athletic event is between $3.00 and $5.00. There are more than 40 home events including discounts on Homecoming, after-game dances, and more. If you only attend ten or eleven home events, the card has paid for itself!

To purchase a 2017-18 Activity Card, stop at the tables set up during the "Big Red Check-in" registration August 22nd at the Ninth Grade Center or at the Main Building on August 23rd and 24th. They will also be available for purchase during lunches or you may stop by the Student Activities Office. Cards are $35.00 and are available throughout the month of September. Please make checks payable to Chippewa Valley High School.

Don't delay, get yours right away!

CVHS
Community Scholarship Program

Every year, with the generous support of our community, we have been able to provide eligible seniors with some financial assistance to be used for college expenses. Last year, 68 seniors received community scholarships totaling over $35,000.00.

Students can apply for these community scholarships in late January 2018. The application and list of scholarships will be available at the end of 1st semester on the counseling website and more information will be communicated prior to that time.

Anyone wishing to donate money toward this scholarship program should forward a check made payable to Chippewa Valley Educational Foundation, attention Guidance and Counseling Office. Any amount of money will be graciously accepted throughout the year. If you are interested in making a donation or have any questions, please contact Monica Anderson in the Guidance and Counseling office at (586) 723-2340.

CVHS OPEN HOUSE

Wednesday, September 13th @ 6:30 pm

Chippewa Valley High School has scheduled its Open House for Wednesday evening, September 13, 2017 at 6:30 p.m. The program begins promptly at 6:30 p.m. in your son/daughter's first hour classroom. Please be sure to visit the CVHS website http://www.chippewavalleyschools.org/schools/high-schools/cvhs/ to print an Open House Invitation. Have your son/daughter complete their schedule and bring it with you to Open House. "Parents we encourage you to use the Parent Portal app on your mobile devices to view your child's schedule."

Parents will be directed to follow their son/daughter's actual course schedule. Parents will "literally" move from class to class – just as their son/daughter does when he/she reports to school for a typical school day. For approximately 10 minutes or so, parents will have the opportunity to hear for themselves just exactly "what is expected" of their son/daughter for that particular class. Teachers will present their classroom expectations regarding attendance, behavior, and grading procedures. These are the same "expectations" that teachers will share with your son/daughter during the first week of school!

Remember, the purpose of this evening is to "get acquainted" with your son/daughter's teachers – for all six hours of his/her schedule. If you feel that more time is needed to ask questions or to share your perceptions about your son/daughter, then simply leave a forwarding phone number (home and work) or your e-mail address. The time for a more detailed review of your son/daughter's progress will come later this fall at Parent/Teacher Conferences.

HAVE A GREAT EVENING!

SCHOOL PHOTO DAY and VISION SCREENING

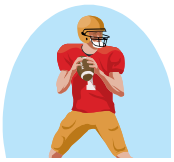
*****IMPORTANT*****

***School photos are* scheduled for**
Wednesday, September 6th
For all grades

This year, Lifetouch, our school photography company, will be using "WOW Watercolors Program." You will have the ability to pick your pose, background, and package. Please have your order form and payment ready for the photographer on picture day. Lifetouch order forms will be available beginning August 22nd thru 24th during Big Red Check-In.

Student photos are very important as they are used for yearbook and for each student's identification card. ID cards are used for just about everything…library book checkout, obtaining parking permits, entrance into dances, using the debit card system in our lunchroom, and required identification as a CVHS student.

Vision screening will also be conducted on September 6th for 9th graders only.



"WIGWAM" SCHOOL STORE

Welcome back for another wonderful school year. We also welcome our new Freshmen Class of 2021.

Our Marketing students will be busy working on displaying the new apparel we have received. Come in and check out the "Wigwam" merchandise. Our daily hours are:

Monday-Friday (Phone # 723-2541)
10:30 a.m. - 12:01 p.m.
2:13 p.m. - 2:45 p.m.

We are sure you will find a variety of school apparel to keep you warm on those cool nights. Stop by our table at all home football games and see the new items we have for our "Big Red" fans. We will also be open for "Big Red Check-In," Open House and Parent/Teacher Conferences.

SHOW YOUR SCHOOL SPIRIT AND STOP BY!

BIG RED CHECK-IN

August 22 - 24, 2017

Big Red Check-In will be held from August 22 through August 24, 2017. Students should plan on coming to school for the registration process during their scheduled time listed below:

Tuesday August 22nd	9th Grade	(see page 7)

Wednesday August 23rd	Time	Students
12th Grade	7:30 – 8:30	Last Name A - L
12th Grade	8:30 – 9:30	Last Name M-Z
11th Grade	9:30 – 10:30	Last Name A-L
11th Grade	10:30 – 11:30	Last Name M-Z

Thursday August 24th	Time	Students
10th Grade	7:30 – 8:45	Last Name A - L
10th Grade	8:45 – 10:00	Last Name M -Z
All Grades	10:00 – 11:30	Make-up

Please visit the Big Red Check-In webpage at https://www.chippewavalleyschools.org/schools/high-schools/cvhs/students-parents/big-red-check-in/ for information and forms to bring on this day. We believe this process will insure that all forms are accurately filled out, signed, and turned in. It also gives us the opportunity to distribute other information that is important for parents and students to receive.

Our first "official" day of school is Tuesday, September 5th. School starts at 7:15 a.m. on this day with a homeroom. Students should make every effort to arrive promptly so their new school year can begin successfully. We look forward to seeing you at Big Red Check-In and on the first day of school. **Students will be dismissed at 10:00 am.**

CHIPPEWA VALLEY 9TH GRADE CENTER

Big Red Check-In for Chippewa Valley High School Class of 2021

August 22, 2017

Big Red Check-in Packets were sent home with your 8th grade student the first week in June. It is important that all students attend Big Red Check-in to receive their tentative class schedule, locker and books. The packet also contains an important **signature form** that must be signed and returned at Big Red Check-In. It is very important to have your paper work completed before coming to Big Red Check in order to keep things moving smoothly.

The schedule for registration is listed below. **Please attend at your convenience**. **Plan on spending approximately 40 minutes to complete the entire check in process.**

Note: Attendance at the Big Red Check-In is highly recommended for **ALL** students. If, for some reason, you are unable to attend, your schedule will be available the first day of school in homeroom. Students will also receive books and a locker on the first day of school. Packets will also be available online at

http://www.chippewavalleyschools.org/schools/high-schools/cvhs/cvhs9/

Big Red Check-In

Tuesday, August 22, 2017

Located in the Chippewa Valley 9th Grade Center Media Center

Students can check in anytime between 8:00 AM and 11:30 AM

Chippewa Valley High would like to invite 9th Grade parents, family members and friends to participate with the Class of 2021 in this ceremony.

Matriculation Ceremony

The "Matriculation Ceremony" at the Ninth Grade Center will be held on Friday, September 8, 2017, at 1:30 p.m. This ceremony is a time when the students make a commitment to graduate in four years – 2021. The teachers will also commit to helping the students in any way possible for a successful beginning prior to walking over to the Main Building. Our students and staff will sign a pledge that will be placed in a book to stay with the Class of 2021, and will be presented at their Commencement. Parents and community members are welcome to take part in this special ceremony.

HIGH SCHOOL ATTENDANCE PROCEDURES

EARLY DISMISSAL/ABSENCES

If you need an Early Dismissal for your son/daughter for an appointment or whatever reason, **for 10/12 building please call (586) 723-2399 and for the 9th Grade Center call (586) 723-3199** and leave a message on the 24-hour line. Instruct your son/daughter to pick up their pass from us any time before school or between classes, **as we do not deliver passes**. You may also call this number to report a full-day absence. When your son/daughter returns to school during the school day from an appointment, they are required to check in with the Attendance Office before heading to class.

MEDICAL NOTES

Also, please remember that your student is allowed only 10 absences per semester. If your son/daughter is ill (with a doctor's note), have them bring any medical notes to the Attendance Office. We can mark those absences as "medical" and they will not count against the 10 absences per semester.

STUDENTS DEPARTING SCHOOL FOR REASONS OF ILLNESS

A student who becomes ill during school hours must be seen by the School Health Aide prior to departing the campus.
If your student informs you that they have become ill during school hours, please inform them that they should go to the school clinic.

Students can inform a teacher if they are not feeling well. Per the Student Code of Conduct, a cell phone should not be used in the classrooms and can result in disciplinary action for your son/daughter.
The school's Health Aide will contact you or another approved emergency contact for approval to dismiss your student. A dismissal pass will be given to the student.

STUDENTS MAY NOT LEAVE THE BUILDING WITHOUT A PASS.

All students departing the campus for reasons of illness will use the "A" doors. You are not required to come into the building to pick them up if this process is followed. Please help us care for your student in the most efficient and expedient fashion. The direct line to the school Health Aide is (586) 723-2312.

ADMINISTRATION OF MEDICATION TO STUDENTS

Chippewa Valley Schools have reviewed the district's Medication Administration Policies as directed by the State of Michigan legislation. We have provided training on the guidelines of the legislation to all employees who dispense medication in our schools, as dictated by State law.

The purpose of the policy is to support the health needs of students during school hours and to ensure the safety of all Chippewa Valley students.
Key Policy Points for Parents/Guardians:

- Written authorization from the child's physician AND parent must be obtained and be on file in the school office BEFORE any prescription or over the counter medications can be administered to a student while in school.
  Forms for prescription, non-prescription, self-carry medication including Asthma, Diabetes, Food Allergies and /or Seizures are available online at www.chippewavalleyschools.org (click on the "Parents" tab, Student Health Forms then "Medication Dispensation Forms"). Forms may also be found in the clinic.
- All student medications should be transported to school by the child's parent/guardian.
- All medications will need to be in the original bottle or container, and cannot have expired. No expired medications can or will be administered.
- Prescription containers will be labeled with the child's name, medication, dose, time and route.
- Information on the use and adverse effects of any medication given in school will be provided to the school by the parent, pharmacist, or physician.

Our primary concern is the safety and health of the students attending Chippewa Valley Schools. For questions regarding this policy, please feel free to contact your school principal.

CVS FOOD SERVICE

The CV Schools Food Service Department would like to welcome you to the 2017-18 school year. Lunch menus will be available on the first day of school. Prices are as follows:

Breakfast	$1.55	Reduced Price Breakfast	$ .30
High School Student Lunch	$3.00	Milk	$ .60
Lunch Plus	$4.50	Reduced Price Lunch	$ .40

(Lunch Plus includes one additional serving of the menued entrée.)

- Please complete ONE Free/Reduced Application per family, even if the students attend different school buildings within the district.
- A new application must be processed for each school year.
- The application determination will take approximately 10 business days.
- Students who were on the meal program at the end of the 2016-17 school year will remain on the program through **October 17, 2017**. Their new applications must be submitted and approved prior to **October 17, 2017** to have no lapse in benefits.
- Please encourage parents to apply via the internet at www.LunchApp.com
- The website will be available after August 1, 2017 for the 2017-18 meal application processing.

FOOD SERVICE DEBIT PROGRAM

How to open an account:

- Online debit deposit: www.SendMoneyToSchool.com (need student ID number)
- Send check (payable to CV Food Service) or cash to school with student
- Student hands check/cash to Cashier in Cafeteria – account activated/deposit applied
- **NOTE**: If ID card is lost or stolen, it must be reported to cafeteria cashier immediately. Food Service is not responsible for fraudulent usages.

If you need further assistance, please feel free to contact the Food Service Department Hotline at 723-2294.

Student I.D. Cards

The faculty of Chippewa Valley High School is committed to creating and maintaining a safe school environment for all students. To help us achieve this goal we will continue to expect all students on the CVHS campus to be prepared to produce their school-issued identification cards at all times. Students will be issued one student I.D. on picture day (September 6th). We will offer students the opportunity to order additional I.D.'s for $2.00 each (lanyards are available upon request for $1.00), so that they may have a backup I.D. at their disposal. We have found that this is a good practice to manage those times when a student is running late or is forgetful after an extended time away from school.

Students will need their I.D. card for the following:

- **Checking out Textbooks from the Bookroom**
- **Checking into the Detention Room**
- **Purchase Dance Tickets & Entry into Dance**
- **Purchase Hot Lunch**
- **Leaving Campus Early for Dual Enrollment, Teacher Cadet, Internship, Early Dismissal Passes**
- **Purchase Tickets for some Athletic events/Contests**

All students will be taking their school I.D. picture and receiving the I.D. cards on September 6th.
If a student loses their I.D. card they can purchase a new one in the Main Office or Media Center for $2.00

SCHOOL NOTIFICATION SERVICE
(SCHOOL MESSENGER)

Last year Chippewa Valley Schools implemented SchoolMessenger as a new notification service for parents. SchoolMessenger is one of the leading providers of notification services for parental outreach, emergency broadcasts, student attendance alerts and other communications for education.

The SchoolMessenger system is designed to automatically notify parents for reasons that impact the safety and academic performance of students. There is an automated attendance call back feature for students with unexcused absences. SchoolMessenger will extend the district's community outreach efforts and emergency preparedness procedures, as well as, inform parents of upcoming school events such as statewide testing and important parent meetings. As a comprehensive communication tool, SchoolMessenger will contribute to the district's communication initiatives, allowing the district to engage the broader educational community about a wide range of topics affecting students' academic success.

SchoolMessenger will not replace all current school communication and protocols. Principals will still be accessible for meetings and visits and will continue to communicate via any current methods including paper-based memoranda or letters when appropriate. The district's acquisition of the SchoolMessenger system is intended to extend its commitment to remain personally connected with parents by offering additional and timely communications. SchoolMessenger notification services serve thousands of schools, districts, universities, first responders, the US Navy, Coast Guard, and National Guard just to name a few.

To make sure you are signed up to receive SchoolMessenger communications, you must have an activate Parent Portal account. When you sign in to the Parent Portal be sure to include current phone numbers and email addresses. You can also sign up to receive text messages as well. If you have not created a Parent Portal account, please contact the Guidance Office in the campus building your student attends to receive your account access information to get started.

We hope you enjoy this new state-of-the-art communication.

IMPORTANT NOTICE FOR HIGH SCHOOL PARENTS OR GUARDIANS

Please take a moment to read this very important notice...

The Family Educational Rights and Privacy Act (FERPA) permits the district to publish or otherwise disclose directory information relating to a student without the consent of the parent or eligible student, unless the parent or eligible student expressly objects to such disclosure. Chippewa Valley Schools considers the following as directory information. Names of students graduating, attaining honor rolls, or receiving special achievement awards, including past and present participation in officially recognized sports and activities, and height and weight of athletes.

If parents or eligible students object to publication of any of the above information, they must notify the Educational Services Department via email or letter. To notify via email contact Lori Durkee at ldurkee@cvs.k12.mi.us, or Judy Pyszk at jpyszk@cvs.k12.mi.us. To notify via letter please send to: Chippewa Valley Schools, Educational Services Dept.,19120 Cass Ave., Clinton Township, MI 48038. Please include your students' name, grade level, and the school they attend.

Directory information requested from the military or higher education institutions for secondary students will include student name, addresses and telephone listing unless the student (18 years old) or a parent notifies the school district not to release said information

Thank you,
Chippewa Valley Schools
"Chippewa Valley Schools...preparing students today for the challenges of tomorrow."

Special Transportation Requests

Attention Parents!

Please be reminded that **ALL** requests for alternate bus stops, exceptions or special arrangements **MUST** be renewed **EACH** year with the Pupil Transportation Department.

Please complete and submit to the Pupil Transportation Department an **Alternate Bus Stop Request Form** if you require transportation to and/or from a location other than that which would be assigned based on your home address.

All information from the previous school year has been deleted from our database. Special arrangements from last year will not be honored this year without the appropriate form being completed and sent to the Transportation Department at least two weeks prior to the start of school.

Transportation forms can be found at the following link:

9th Grade Center Counselor's Corner ~ August/September 2017

- **Welcome to the Valley!** We are excited to see a new group of freshmen students enter our 9th Grade Center and look forward to assisting you in any way we can. **What services can you expect from your counselor?** Our goal is to help each student have a successful transition to high school and a successful freshmen year. Throughout the year counselors go into classrooms, run small groups and assist in school wide projects to strengthen academic and life skills. Some of these include:

  Presentation on Study Skills
  Career Cruising and completion of an Educational Development Plan
  Yellow Ribbon Week/Hero in the Hallway (anti-bullying/suicide awareness)
  PSAT testing (practice SAT, a college admittance test) along with explanation
  Career Day – Students visit Chippewa Valley alumni and learn about their careers

- Counselors are also available to meet with individual students and families for academic and personal concerns and provide referrals when needed. We welcome you to the **Big Red** Family and look forward to assisting you in any way we can. - **TIPS ON A SUCCESSFUL FRESHMAN YEAR** - **Start the Year Off Right!**

Implement a regular study routine for every day. Suggestions include:

1. Have a **distraction-free place to study**. Turn off cell-phone, TV, social media, etc. Have a well-lit space with supplies on hand. If your home is too distracting, consider going to a public library.
2. Spend a **MINIMUM of 1 to 2 hours nightly reviewing your daily work** – finish assignments, review readings and notes, and jot down any questions or concerns to ask your teacher the following day.
3. **Get ORGANIZED**. Use a binder with five or six folders – one for every class. Have a "To Do" side pocket for homework that needs to be reviewed/completed and a "Turn In" side pocket for work that needs to get handed in. Use an agenda or other calendar tool to stay on top of upcoming due dates.
4. **Read to UNDERSTAND** not just to finish it. Stop after every paragraph and ask, "Do I understand what I just read?" If not, reread and/or seek help from your teacher, tutor or trusted classmate
5. **Utilize help**. Talk to teachers about getting extra help, attend after school tutoring when available, seek out-side after school tutoring, access online help thru the Clinton Macomb Public library wwww.cmpl.org or see your counselor for more ideas on help available.
6. **SEE YOUR COUNSELOR!** We are here to help and want your freshmen year to be a success!
7. **Visit free academic help websites** such as http://www.khanacademy.org for additional help & tutorials
8. Get plenty or **rest, exercise and eat a balance diet**.
9. **Get to class on time!** Attendance counts!!
10. **GET INVOLVED!** Visit CVHS website or listen to announcements for athletic tryout information and club meeting days/times. Great way to **MEET NEW FRIENDS** and have **FUN**!

Advanced Information Technology students earn CIW Certifications

CIW is the world's premier vendor-neutral IT and Web technology education and certification program. Students attending Chippewa Valley High School (CVHS) and Dakota High School (DHS) have the opportunity to prepare for CIW Certification Exams in our CTE Information Technology program offered at CVHS.

All CIW certifications validate and document professional level preparation, knowledge and skills needed to work effectively in today's global, Internet-based, business environment. The **CIW Network Technology Associate Certification**, in particular, focuses on the following areas: Introduction to Networking; Networking Components and Standards; Connecting to the Internet; Internet Services; Hardware and Device Connectivity; and Network and Cloud Security Risks.

Advanced students enrolled in the second year of the Information Technology program have the opportunity to earn up to four certifications which include: Internet Business Associate, Site Development Associate, Network Technology Associate and the CIW Web Foundations Associate Certification.

Congratulations to the following students for their remarkable accomplishments in earning the

CIW Internet Business, Site Development, Network Technology, and Web Foundations Associate Certifications!

Spotlight on Jakob Short, Information Technology Student

Jakob Short has been an exceptional student during his high school career and during his three years in Chippewa Valley School's Information Technology program. In addition to the rigorous courses he has been enrolled in at Dakota High School and Chippewa Valley High School, Jakob was involved in many other activities. Jakob has been an active member in the National Honor Society, he has tutored students, and he volunteers at church and hospital events. Jakob also played Freshman Football and JV Track and Field.

During Jakob's three years in the Information Technology Program, he has earned a total of six certifications. The first two years of the program focused on the **CIW Web Foundations Associate certification**, which is the most popular vendor-neutral Web education program in the world. Individuals who have completed all three Foundations Courses have mastered more than mere digital literacy skills: Students have a unique understanding of Internet business, data networking and Web site design. After completing these courses, Jakob also earned the following certifications:

> **CIW Site Development Associate certification**, which teaches essential Web page development skills, developing Web sites using Hypertext Markup Language version 5 (HTML5) and Cascading Style Sheets (CSS), writing code manually, as well as using graphical user interface (GUI) authoring tools, and inserting images, creating hyperlinks, and adding tables, forms, video, and audio to Web pages.
>
> **CIW Internet Business Associate certification**, which prepares students to work effectively in today's business environment, learn about the tasks involved in various Information Technology (IT) job roles, explore career opportunities in the IT industry, Internet connection methods, Internet protocols, the Domain Name System (DNS), cloud computing and mobile devices, the basic functions of Web browsers, the components of Web addresses and browser use in the business world, how browser plug-ins and add-ons can improve your Web-browsing experience, and how to use browsers to download and manage files.
>
> **CIW Network Technology Associate certification**, which teaches essential networking technologies and skills, including TCP/IP, stable network creation, wireless networking, mobile devices and network troubleshooting, using various network components and protocols that enable users to share data quickly and easily, exploring the different types of transmission media, and how network architecture and topologies provide for efficient and secure communication, the OSI reference model and its relationship to packet creation, and compare and contrast the OSI model with the Internet architecture model.

Since Jakob will be pursuing a career in computer science, he decided to take full advantage of earning free, international certifications through Chippewa Valley Schools and enrolled in a third year of the Information Technology Program. In this third year, Jakob earned the **CIW Advanced HTML5 and CSS3 Specialist certification**, which is the first course in the CIW Web and Mobile Design series. This course teaches the essentials of HTML5, Cascading Style Sheets (CSS) and JavaScript. These technologies, sometimes known as the "HTML5 Family" or the "Web development trifecta," can be used together to create Web pages that easily adapt to display on smartphones, tablets, gaming devices and smart TVs, as well as to traditional desktop computers. He also earned the **CIW Web Security Associate certification**, which teaches you how to secure your network from unauthorized activity. This course teaches you about security principles, such as establishing an effective security policy, and about the different types of hacker activities that you are most likely to encounter. Individuals with these security skills can pursue or advance careers in many aspects of online and network security.

Here Today, Gone Tomorrow? NOT QUITE

A social media series

Summertime provides many opportunities for teens and young adults to post on social media. The days are longer, the activities and adventures increase and the responsibilities of school and homework decrease. However, there are some important things to remember when posting online.

The Law of Unintended Consequences

Anything you post publically (or privately- if you have thousands of followers) could fall victim to this scenario or a similar one. Let picture this, you, a 17-year-old, National Honor Society student and Class President post a picture of yourself and your family/friends around a bonfire, watching fireworks at your Grandma's 75th birthday party. Grandma is not in the picture. Just you and your cousins with red Solo cups in hand, fire burning, lots of smiles and cheers. You post this picture publically. You do not include a caption. What happens next?

The next day you go in for your big interview to be a camp counselor. The pay is awesome and you are excited for a job that you can spend all summer with little kids, while having fun outside. The interviewers really liked you and frankly you nailed the interview. The selection committee is making a final decision the next day. They narrowed it down to their two top candidates and YOU were one of those two people.

Later that night, one of the interviewers searched both the top two candidate's online profiles. He looked at their Twitter, Instagram and Facebook pages. The other candidate had posts about volunteering in a school clubs, helping senior citizens at a senior home and a couple family vacation photos with his Mom, Dad and Sister at the Grand Canyon. When they searched your profiles, they found pictures of you around a bonfire with your friends "partying", a picture of you being goofy with your friends in a bathroom, and a selfie shot of you lying in bed with your dog Fluffy. Based on the top two candidates online profiles, who do you think they will choose?

I call it the *Law of Unintended Consequences*. If you post things online remember a picture can be worth 1000 words. Innocent group photos of you hanging out with your friends can be easily misconstrued by others on the opposite side of the screen. Be careful with what you post publically and privately. Make sure you add captions to your photos/posts and build a **positive** online profile.

Always try to build an online reputation that works *for you* (not against you) so, when college recruiters, scholarship offers and/or job opportunities come along and they look you up online, your profile will only help you and give you an advantage over others! Remember posting pics online leave a lasting digital footprint. Sophisticated search engines and other sites are now indexing and curating everything you post publically, so you can be assured something you post today, will still be around tomorrow. Be smart!

Back to School: Teens and Substance Use

Talk About It

As students return to school, it is important for parents to be mindful of their teens' habits. Alcohol and drug abuse can easily become a problem in your child's life, especially with the added stressors of a new school year. The top five reasons kids use drugs and alcohol are:

1. To combat loneliness, low self-esteem, anxiety, or depression
2. To mentally "check-out" of family issues or school trouble
3. To ease discomfort in an unfamiliar situation
4. To look cool or change their image/reputation
5. To fit in with a desired group of friends

All these causes can be intensified at the beginning of the school year, as teens adjust to new classes, new classmates, and possibly a new school. This can lead to experimentation with drugs and/or alcohol.

According the 2015 Monitoring the Future study conducted by the University of Michigan, 58% of 12th graders used alcohol within the last year, 35% used marijuana, and 8% used amphetamines. While there has been a trend downward in these numbers, the percentage can still seem staggeringly high. Moreover, in the same study, it was found that only 32% of 12th graders think that regular use of marijuana puts the user at a great risk. This highlights the fact that not all teens are aware of the effects of drug use. In reality, marijuana can have a variety of harmful effects; among other issues, use can cause changes in adolescent brain development, increase the risk of psychosis, and cause lung complications. To make sure your teen stays safe this school year, it is important to have a discussion about the risks associated with drug and alcohol use. You have more influence on your child's values and decisions about using substances before he or she begins to use alcohol or drugs. But, starting the conversation isn't always easy.

What is Student Assistance?

The purpose of Student Assistance is to help students succeed in school and in life. Students that are not performing in school because of issues, other than learning difficulties, (i.e. Substance abuse, difficulties at home, grief and loss, anger management, etc) need help. A referral to the Student Assistance Specialist will identify these students and provide them with the support they need. Students can be referred by teachers, administrators, other students, their parents or even self referred. An interview is conducted and students are seen individually or in groups and then given referrals for outside treatment.

MOBILIZING MICHIGAN

PROTECTING OUR KIDS FROM MARIJUANA

Talk to your children about MARIJUANA

Monitoring the Future (2016), a national survey, showed a higher rate of marijuana use by 12th graders in states that had passed medical marijuana laws compared to states that had not.[1] According to another survey, 7 percent of teens nationally are current marijuana users.[2] **ITS TIME TO HAVE THAT CONVERSATION!**

MARIJUANA HAS INCREASED IN POTENCY OVER THE YEARS

THC, the addictive element in marijuana, has increased significantly overtime. Marijuana is now 3 to 7.5 times more potent than that used in the 1990s. Marijuana concentrates, another form of marijuana, contain extremely high levels of THC (40%-80%) and are used in various forms - food, drink, and smoked, increasing potential for addiction.[3] Increases in marijuana potency may be the cause for a rise in emergency room visits.[4]

MARIJUANA IS AN ADDICTIVE DRUG

The **YOUNGER** marijuana use begins, the **HIGHER** the risk of addiction.[5] One in 6 teens who start using marijuana become addicted.[6] Each year, more teens enter treatment with a primary diagnosis of marijuana addiction than for all other illegal drugs combined.[7]

MARIJUANA NEGATIVELY AFFECTS SCHOOL PERFORMANCE

Marijuana decreases attention, memory, and the ability to learn. Students who smoke marijuana tend to get lower grades and are more likely to drop out of school. Effects on learning can last for days or even weeks.[8]

MARIJUANA CHANGES THE DEVELOPING TEEN BRAIN

The human brain continues to develop until someone is in his/her 20s. Marijuana use affects the prefrontal cortex, which controls impulses and decision-making.[9] A recent study found that marijuana users had abnormalities in areas that interconnect brain regions involved in memory, attention, language, and organizational skills.[10] Heavy marijuana use during the teen years can **permanently** lower intelligence (IQ) in adult life by as much as 8 points, a significant reduction.[11]

MARIJUANA AND DRIVING IS A DANGEROUS COMBINATION

The risk of being involved in a car crash roughly **DOUBLES** after using marijuana.[12] Driving studies indicate that marijuana use can negatively affect a driver's coordination, reaction time, tracking ability, attention, and judgment.[13]

THE DANGEROUS 100 DAYS OF SUMMER

The Chippewa Valley Coalition Teen Council June 2017

THE DANGERS OF SUMMER VACATION

According to AAA, American Automobile Association, approximately 10 young drivers die each day between Memorial Day and Labor Day in vehicle related accidents. A teens driving inexperience, coupled with distractions, can greatly increase the risk of a serious or deadly accident. It is important for parents to talk with teens often about the dangerous conditions that can lead to an accident.

Risks to Teenage Drivers

- Having a passenger increases the risk of a teen driver having a fatal crash by at least 44%, according to the National Safety Council.
- A driver on the phone can miss up to 50 percent of their environment. That distraction can linger up to 27 seconds after the call ends.
- Texting, snap chatting, tweeting, Facebook, video calls, tuning the radio, doing make-up, reading, eating, opening a water bottle, searching in a purse/glove box and gawking at other accidents is high risk behavior.
- Driving during rain storms, driving at night, driving while tired, drinking alcohol, smoking marijuana or doing other drugs and even lighting and smoking a cigarette all pose dangerous risks to drivers.

Parent's Role

- Talk often about the dangers of driving.
- Set driving rules and guidelines.
- Drive with your teen often—there are teachable moments even after graduation.
- Set a good example—If you do it, so will they. Model behavior.

Have Fun, Be Safe

- Drive Safe
- Wear your seatbelt
- Put your phone away
- Stay Sober
- Drive the speed limit
- Pay attention to other drivers
- Reduce number of passengers
- Watch the road
- Driving tired is a risk: Stay Alert
- Learn to drive in all weather conditions

- Largest bi-lateral student exchange program
- Administered by Pedagogical Exchange Service (Pädagogischer GAPP, Inc. is a 501 (3) (c) non-profit organization with an independent Board of Directors
- GAPP is supported by the German Foreign Ministry and the U.S. Department of State

Auswärtiges Amt

MISSION

- Strengthen and sustain the relationship between Germany and the US via personal connections "Public Diplomacy"
- Promote "Global Awareness" and Intercultural Competency through cultural immersion and friendships
- Promote and improve the study and usage of the German and English languages as second language
- Broaden the students' and teachers' knowledge of the host country's culture and expand their understanding of another way of life

BRIEF OVERVIEW

- At the Core: Schools in the US and Germany form long-term partnerships
- Within this partnership schools organize short-term exchanges where students stay with host families and go to school

- GAPP provides financial support for exchanges adhering to certain standards (funding provided by the German Foreign Ministry as well as the US Department of State) as well as trainings for teachers
- Individual scholarships for students in need possible through the GAPP, Inc. Board of Directors
- Long-term exchanges are also possible

On October 16, 2017, Chippewa Valley High School will welcome 11 exchange students along with their English teacher from Düsseldorf, Germany. They will stay with host families, attend classes and become part of our community for the next two weeks. CVHS students will return the visit in June 2018.

Herzlich Willkommen!

BIG RED ATHLETICS

"Teaching Valuable Lessons Outside the Classroom"

WELCOME BACK to another exciting year of Big Red Athletics! Many of our athletes took advantage of the various camps and summer conditioning programs we offered and are now ready to apply what they've learned. As we begin the 2017-18 Fall season, a few reminders are in order:

PARTICIPATION/TRY-OUT CARDS – Last year we introduced our **Participation Card** which every athlete is now **required** to obtain **PRIOR** to trying out/participating on any team. A signed Participation Card shares three vital pieces of information with our coaches:

The student athlete has a current physical on file in the Athletic office.
The student athlete is academically eligible to participate in interscholastic athletics.
The student athlete does not owe any fines/fees to the Athletic Department.

The cards were a huge success and not only alleviate Coaches being handed armloads of paperwork on the first day but also ensure that every single athlete on the court or on the field has met the proper requirements in order to be a member of one of our teams. Students who wish to play a Fall sport may pick up a Participation Card in the Athletic office **Monday through Thursday from 9:00 am – 4:00 pm beginning August 1st**.

ATHLETIC PHYSICALS – In order to receive a Participation Card, ALL athletes must bring a current physical to the Athletic office. If the physical was performed at our Physical Night at the end of July, we already have it recorded on file. For this school year, **physicals MUST BE dated AFTER April 15, 2017** in order to meet MHSAA eligibility requirements; physicals are valid for the entire school year. The MHSAA is using an updated, streamlined physical form this year which can be picked up outside the Athletic office or printed online. There are now only three places which need to be signed by a parent and only one student signature is required; all of these are numbered and located on the back of the form. Please make sure all other information is filled out and everything is signed where indicated or the physical will be returned to you and a Participation Card will not be issued.

PAY-TO-PARTICIPATE – **All PTP fees must be paid online**. Go to www.gobigreds.com click on Forms and Resources and a link to PaySchools is the first one to appear. The process is very simple and only takes a couple of minutes to complete. Fees remain the same as last year and the program does allow for those on free or reduced lunch to utilize it. Please do not send checks. The Board Office will not accept them so they will be returned to you and your PTP fee will be listed as unpaid. **All PTP fees must be paid two weeks after try-outs begin or before the first contest, whichever comes first.**

FAMILY ID - ONLINE FORMS and REGISTRATION – We will continue to use **FamilyID** for Athletic Registration, Code of Conduct and Transportation forms. This paperless system will not only reduce the amount of hard copies we handle for each athlete but will make the entire athletic registration process easier for you as well. Once the initial **free** registration process is complete, it is simply a matter of checking a few boxes each season as your child registers for another sport; information does carry over from year to year. **Additional information regarding FamilyID can be found at the end of this page.**

ATHLETIC DISCOUNT CARD - We always encourage everyone to show their Big Red pride and support our hard-working athletes and will continue to offer a **discount admission card at Big Red check-in for $75**. Passes may also be purchased at any time on game days from one of our ticket booths. The discount card entitles you to 20 admissions to any regular-season CVHS or Dakota home game (excluding MHSAA-sponsored events). Attend 20 games yourself or treat 19 of your friends to a single event! Either way, you save money, don't need to

carry cash and don't need to stand in line to purchase a ticket at football games! Most importantly, our athletes love to hear their Big Red fans cheering them on from the stands!

FALL SPORTS – Listed below is sport-specific try-out information for each sport offered during the Fall season. Don't forget – you **MUST** have a signed Participation Card to hand to the coach in order to attend any try-out! Please visit our website, www.gobigreds.com frequently for schedules, event locations, team rosters and more!
