Brief description of agenda items and discussion

**1. Board of Education Policy 2410 – Prohibition of Referral or Assistance**

- Administration presented the rationale for the adoption of Policy #2410. The policy must do two things:
  - The policy must provide penalties for violation of section 1507 of the school code, and
  - Penalties for “a school official, member of a governing board, employee of the district or intermediate district, or other person who refers a pupil for an abortion or assists a pupil in obtaining an abortion” that *specifically state* a monetary penalty be assessed that is “equivalent to not less than 3% of that individual’s annual compensation.” The policy should also state that any monetary penalty collected by the district should be reimbursed to the state.
  
- Sub-Committee Chair Patzert made suggestions regarding informing the staff of this new policy.

Meeting Adjourned at **6:20 p.m.**

Respectfully Submitted,  
Donald Brosky
