

LITTLE TURTLE BRIDGE TO KINDERGARTEN PROGRAM 2024

Little Turtle has opened enrollment in our Bridge to Kindergarten Program. Timely registration will ensure a spot for your child, as space is limited. These programs benefit all children by providing a structured learning environment during the summer months. Children will be exposed to literacy and math concepts in small group settings using a variety of materials. This program is a great way to reinforce those skills learned in preschool, so your child feels confident entering school as a new kindergartener. Should you have any questions, please do not hesitate to contact us.
