

Here is a list of "Suggested School Supplies" for the 2022-2023 school year. On this list you will find some standard items that our students will be using in their classes next year. Please keep in mind that this is just a recommended list for those parents who are interested in purchasing supplies over the summer to take advantage of back-to-school sales. We recommend that parents stick with the basics to help minimize cost. Remember, individual teachers may have specific requests in the fall.
