## PRINCIPAL'S CORNER

The beginning of another school year is just around the corner. We are very pleased and excited to kick off a new school year and are eager to get started. With each new year, new opportunities and challenges arise. We are confident that together we will face those opportunities and challenges and have a great school year!

Our wonderful staff has been preparing for the opening of school on Tuesday, September 6, 2022. The first day of school is a partial day, first hour begins at 7:58AM and our school day will end at 10:53AM.

If you would like to get a jump on school supplies, a suggested list by grade level can be found in this newsletter. Teachers will also be giving a suggested supply list to your student the first day of class. Please encourage your student to bring paper and a pencil to record important information during the first day of classes.

If you are driving your child to school, the drop-off/pick-up area is in the back of the building near the tennis courts at door #15. Please be aware that the circle drive in front of our building is designated for buses before and after school. With our growing student population and traffic congestion, we greatly appreciate your cooperation by following the drop-off/pick-up procedures. This year, you will notice our parking lot has been striped to assist with our drop off/pick-up procedures. If bussing is offered to you, we strongly encourage your child to ride the bus.

If you need to drop your child off prior to the start of school, the doors will be open at 7:15AM. Students who are dropped off early, will proceed to the Cafeteria where they will be supervised and have the opportunity to eat a healthy breakfast.

I encourage every parent to sign up for School Messenger this fall. This can be done through Parent Portal and will enable you to receive email and/or text messages whenever important information needs to be distributed. In addition, our daily announcements are sent through this format to keep parents up-to-date. Registration will only take a few minutes and can be done from your home computer. If you have provided your e-mail address on the Emergency Data Verification form, you are automatically enrolled for e-mail messages.

I look forward to working with you this year!

Sincerely,

Chris Gardner  
Principal

7:58AM to 2:42PM

Students who arrive before 7:45AM  
**must** report to the cafeteria.

## From the Desk of the AP

Welcome back Panther Nation! We are eager to hear all about your summer adventures and get this school year started.

### **PANTHER PROWL FUNDRAISER**

Our annual fundraiser is tentatively scheduled Thursday, October 13th. The Prowl is the only school-wide fundraiser for Iroquois. Proceeds from this event help fund field trips, activities, equipment, guest speakers, and more. Other fundraising events held at school will benefit outside charities, but only the Prowl directly benefits the students of Iroquois. We are always looking for volunteers to help coordinate and work this event. More details coming soon!

### **QUICK TIPS FOR FOLLOWING SCHOOL RULES**

- Upon arrival to school, students should safely pack away their backpacks and purses in their lockers. These items are not allowed to be carried during the day.
- Cell phones – We understand the need to communicate with our children, but cell phones are not needed during the instructional school day. Cell phones should be stored in student lockers during instructional hours.
- Classes begin promptly at 7:58AM, but students should arrive a few minutes early to organize their day. We recommend all students to ride a bus if it is available to them. Students being dropped off should arrive to school with enough time to get organized for class.
- Please be mindful of our district's dress code policy as you shop for new school clothes. Our dress code can be found in the student code of conduct on the Chippewa Valley webpage. Here is an abbreviated list of prohibited clothing and items. Please see the Code of Conduct for more details.
  - \* No skirts or shorts that do not extend to at least the mid-thigh.
  - \* No garments/shirts that do not cover the shoulders (the "three finger rule" is a myth).
  - \* No hats or hoods are permitted during the school day.

### **ATTENDANCE AND TARDIES**

Good attendance is strongly linked to academic success. Adversely, students who miss school frequently or arrive late to school and classes earn much lower grades than their peers. Iroquois Middle School strongly enforces the district's attendance policies. Students with high numbers of absences from school will be referred to the Macomb County Truancy Department who will meet with family members to investigate the reasons for poor attendance.

Tardiness to class is also strongly enforced. Adequate time is given between classes for students to gather materials, use the restroom, or get a drink. Students with excessive tardiness during the school day will be placed on a time management behavior plan which may include limited or supervised passing time.

### **AFTER SCHOOL EVENTS**

Iroquois encourages students to attend after school events as spectators. Enthusiastic spectators help to build school spirit and encourage students who are participating in the events. However, attendance as spectators at these events is a privilege, not a right. Students may be prohibited from attending for academic or behavioral concerns.

In addition, students are not allowed to leave and return to school property before or during an event. This includes walking to 7-Eleven.

### **PARKING LOT POLICY**

First and foremost, we recommend that all students take their assigned bus to school. For parent drop-off, all students MUST be dropped off and picked up at the rear of the building (near tennis courts). Stay in the line, follow the traffic pattern, and have students exit cars on the curb side. Please do not allow your student to walk through the parking lot or across the drive lines during arrival or dismissal. This creates unsafe situations for students and drivers. Thank you for your cooperation.

We strive to make Iroquois a place where all students feel safe and free to be themselves. They are not going to like everybody or everything, but we strive to help students see and protect the *human* side of every person. That's Iroquois Cool!

We wish everyone a happy, healthy, and successful start to the 2022-23 school year.

We look forward to a year of fun and success!

Mr. Abraham

## Medication Administration in School

We feel this is a good opportunity to reinforce some of the key points in the Chippewa Valley School District Medication Administration Policy. The purpose of the policy is to support the health needs of children during school hours and to ensure the safety of all children. Key points to remember are:

- \* Before any medication can be administered in school, written authorization from the child's physician and parent must be obtained **and** be on file in the school office. Separate forms are available in the main office for prescription and non-prescription medications.
- \* **All medication should be brought to school by the child's parent/guardian. Students cannot bring medication to school.**
- \* All medication should be in the original bottle or container. Medication not in the original bottle cannot be administered.
- \* Containers should be labeled with the child's name, medication, dose, time and route.
- \* Information on the use and adverse effects of any medication given in school should be provided to the school by the parent, pharmacist, or physician.
- \* Parents **must** notify school personnel if their child has conditions such as allergies, diabetes, or asthma, so that proper precautions/training may be put in place.

Making sure that your children are safe and healthy is our primary concern. If you have any further questions, please feel free to contact our Health Aide at 586-723-3778.

## STUDENT MESSAGES AND DELIVERIES

If your child has called home because they have forgotten their lunch money or any other item needed for the day, please bring it to the main office. Please encourage your child to leave a message as to why they are calling if you are not available to answer their call. The office staff is not always aware of why a student is calling home and we are not able to interrupt classrooms during class time. Students are aware it is their responsibility to pick up the item from the office, so please remind them to check in the office. Lunches that are not picked up in the office are put on the stage in the cafeteria to be picked up during lunch time. When a delivery is unexpected, it will be forwarded to your child at a time when it may least disrupt class time. Items dropped off for after-school athletics will be placed in an athletic bin in the front office and will be available for pick up at lunch time and after school.

***\*\*PLEASE TRY TO MAKE EVERY EFFORT TO HELP YOUR CHILD REMEMBER THEIR THINGS FOR THE SCHOOL DAY. IT IS DISRUPTIVE TO YOUR CHILD'S LEARNING DAY IF WE HAVE TO CALL THEM TO THE OFFICE TO PICK UP THINGS OR CONTACT YOU. If you must deliver lunches, notebooks, money, etc., PLEASE make sure your child's name and grade are clearly marked on the item. This helps to ensure proper delivery of items.***

## Due to crowded buses, students are NOT allowed to ride a friend's bus home after school.

The Transportation Department thanks you for your help in this matter.

Also, please be reminded that ALL requests for alternate bus stops, exceptions or special arrangements must be renewed **EACH** year with the Transportation Department. Please complete and submit an Alternative Bus Stop Request Form if you require transportation to and/or from a location other than that which you would be assigned based on your home address. All requests from last year have been deleted from the database. Transportation forms can be found at the Iroquois office or at:

[Transportation - Departments - Chippewa Valley Schools Home Page](#)

In addition to finding your child's Bus Stop Information on the Parent Portal, you can now access information on eLink. Your child's Student ID # is the User Name and the Password is your child's Birthdate (i.e., 01011990).

[Login - Tyler's Versatrans eLink \(tylertech.com\)](#)

Choose the Work With Students link, then View My Students and then select your child's name.

E-mails will also be sent out in the coming weeks for MyStop, a new GPS tracking system to monitor your child's bus location.

## IMPORTANT PROCEDURES (Please Read and Save)

**ABSENCE REPORTING PROCEDURE** - ALL absences, including illness and vacations, should be reported to the main office by calling the attendance line. The office will then notify the teachers. **ABSENCES** should be called in before 8:00AM to 586-723-3799. Please leave the student's name, grade level, reason for absence and length of absence on the absence line. We are required to report illnesses to the Macomb County Health Department and must be advised of any illness, especially if contagious. It is also important to call the attendance line when your child is going arrive to school late.

**EMERGENCY INFORMATION** - Please make sure your child's Emergency Information is up-to-date throughout the year with current emergency phone numbers and authorized persons for picking up your child in case of illness. If a child becomes ill during the day, we need to have a working telephone number to reach someone.

**HOMEWORK** - If your student is absent, please have them check Schoology for homework assignments. If your student has a question regarding an assignment when they are absent, they can contact their teacher through Schoology, e-mail or by phone. For students going on vacation, make-up work should be requested the day they return from vacation. Make-up work should be completed within the same number of school days as he/she was absent, unless special arrangements have been made with each teacher.

**EARLY DISMISSAL PROCEDURE** - When a child needs to leave school early, parents should come into the school to sign the child out. Children will **only** be released to persons in their emergency information with a valid picture ID. If the student returns to school, the student should come into the office to sign back in and get a pass to return to class. Parents do not need to come back into the school when returning the child to school.

### Attention 8th Grade Parents:

- When bringing items to personalize your locker, please do not use any tape or contact paper on the inside of the locker. This causes the lockers to jam and also leaves the custodians with a difficult time cleaning the lockers in the summer. Also keep in mind, placing anything near the edges of the locker door will also cause the locker to jam.

## PARENT/TEACHER CONFERENCES

Parent/Teacher conferences will be held on October 5 from 5:30-8:00PM and October 6 from 11:30AM-2:00PM and 5:30-8:00PM. These conferences are held to help with communication between parents and teachers. Here are a few questions you may want to consider asking your child's teachers about his/her progress thus far:

- Does my child turn in homework regularly?
- Does my child work well with others in the classroom?
- Does he/she participate in class by volunteering to answer questions, share his/her work, etc.?
- Does my child take advantage of the time given to him/her in the classroom?
- Does my child have difficulty with anything in specific?

What are some things about your child that would be helpful for the teachers? Are there any concerns we should be made aware of? Communication is the key piece to the success of your child's education. Let's work together to make this a great year for your child.

## Communication is the key to understanding...

### Step 1: Contact the teacher

- Questions or concerns regarding instructional practices or your child's progress should first be directed to your child's teacher.
- Calling or e-mailing a teacher is the best way to contact them. Please understand that they may not be able to answer the telephone or respond to an e-mail during school hours. You may need to give them 24 hours to respond.
- Staff member e-mail addresses can be found on the school's website.
- Many misconceptions/misunderstandings can be straightened out by a simple communication to the teacher.

### Step 2: Contact the counselor

- If you need more information or you still have questions/concerns then contacting your child's counselor is the next step for assistance.
  - 6<sup>th</sup> grade: Mrs. Nicole Gargalino      586-723-3740      ngargalino@cvs.k12.mi.us
  - 7<sup>th</sup> grade: Mrs. Lynn Dawson      586-723-3750      ldawson@cvs.k12.mi.us
  - 8<sup>th</sup> grade: Mrs. Nadia Given      586-723-3730      ngiven@cvs.k12.mi.us

### Step 3: Contact a building administrator

- If you need more information or your concerns are not resolved after contacting the counselor, then contact the Principal or our Assistant Principal.
  - Mr. Christopher Gardner – Principal
  - Mr. Scott Abraham—Assistant Principal

## **Meal Changes for the 22/23 School Year**

The federal USDA waivers that allowed school districts to provide breakfast and lunch at no cost to students expired on June 30, 2022. For the 2022/2023 school year, families who do not qualify for free or reduced meals will resume paying full prices for school meals.

If your student qualifies for free or reduced meals, **you must complete the 2022-2023 online application at [Chippewavalley.familyportal.cloud](https://chippewavalley.familyportal.cloud)** to receive this benefit. Even if you completed the 2021-2022 application, you still need to complete the 2022-2023 application as well. Completing an application is the **only way** to be considered for free or reduced meals next school year.

In addition, Chippewa Valley Schools has made the decision to cover the cost of students that qualify for reduced price meals for the 22/23 school year. This means there will be no charge for breakfast or lunch for all students that qualify for free or reduced meals.

If you do not qualify for free or reduced meals, you may begin depositing money into student accounts at any time to prepare for the cost of school meals next year. Meal prices for the 2022-2023 school year will be \$2.75 for elementary lunch, \$3.00 for middle/high lunch and \$1.55 for breakfast at all grade levels. We have been fortunate to have not changed the prices for the last 9 years.

[Chippewavalley.familyportal.cloud](https://chippewavalley.familyportal.cloud) is a new website where families can access their student's meal account, add money, manage parental controls and apply for free and reduced meals all in one stop! *If you previously had a [sendmoneytoschool.com](https://sendmoneytoschool.com) account, use the **same email** when you register to Family Portal and all information will transfer over.*
